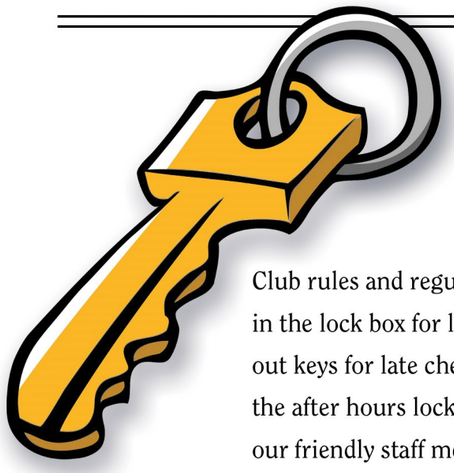
Hot List

With several new affiliations offering spectacular locations, we currently have some of our most amazing exchanges ever! These exchange opportunities are part of your membership, and require only a small exchange fee (unlike for-profit companies, which charge high additional fees). To see a sample of what's available, check out the list at:

www.perennialvacationclub.com/hotlist.html.

If you would like to learn more about your members' only "Hot List " and all of the options available to you, contact the Direct Exchange Department at 800-359-6753 (press 2) or via email: directexchange@perennialvacationclub.com.



Key Policy

Club rules and regulations require that you advise us in advance if you need a unit key left in the lock box for late check-in at any of our resorts. We are unable to automatically leave out keys for late check without proper notification. Should you need a key left for you in the after hours lock box, contact either the reservations department or the resort--one of our friendly staff members will be happy to assist you.

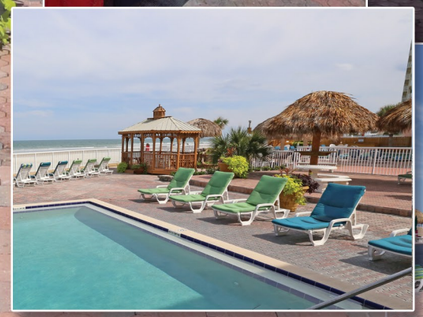
Sign Up for the 7 Year Proxy!

I Agree

Our club bylaws require that each year 15% of our membership attend an annual meeting in person or by proxy. In past years we have found it difficult to establish a quorum. To solve this problem (and to save the money we spend working to obtain a quorum), we are implementing a 7 year proxy! Please, support your club by going to the website (http://www.perennialvacationclub.com/memberupdateform.html) and sign up today! You can rescind your proxy at any time, either by attending a meeting in person or by giving us written notice. Signing this proxy saves your club money and ensures that we abide by our bylaws.

Daytona Goes a Little Tiki


Daytona's tiki huts are a huge hit – and so popular, we've added more! We've also installed additional barbecue grills. You'll have all you need to enjoy the sun, rest in the shade and cook-out while listening to the ocean waves…
