Vacations, Not a Luxury... a Necessity!

In 1980, when Perennial Vacation Club was incorporated, a vacation was looked upon as a luxury, not a necessity. Our then-membership development director created a sign for prospective members which exclaimed: "Vacations are a necessity, not a luxury." Few of our prospective members agreed that a vacation was a necessity. Vacations were generally viewed as a luxury. Perennial membership grew only because we provide a uniquely flexible vacation experience at an affordable cost. However, the "new normal" has definitely shown that vacations are a necessity. The world wants — no needs — to vacation. Travel has finally been recognized as essential for our health. Our resorts are experiencing more reservation requests than ever. Due to our not-for-profit status, and with no debt, along with our significant unit ratio availability to number of members, our new membership in PVC has increased.

In "The Jungle Book" when Baloo the bear sang of the bare necessities of life, he was referring to "mother nature's recipes" not vacations. But it turns out that those recipes now include a recipe for our mental health and general well-being: a vacation. At Perennial Vacation Club, we recognize that we are providing a necessity and will continue to strive to fulfill our mission to our members: ***"To create, through teamwork, vacations that enrich our member's lives."***

Increase in Maintenance Fees!

These are challenging times and, for many, that means an increase in prices. Many of our vendors and suppliers are raising prices to meet various financial pressures. We're proud to say that, in spite of these challenges, we are not raising our annual maintenance fees this year! We remain in the lowest tier of annual maintenance fees throughout U.S. resorts. We are also offering additional memberships to our current members at an amazingly affordable cost! How do we manage this? One reason is that we remain completely debt free!

WE GET LETTERS

We very much enjoyed our yearly vacation and family reunion in Bandera, Texas. While there, we celebrated my husband's 85th birthday. Had so much fun. We also spend several weekends through the year at the resort. There are so many fun things to do in the surrounding small towns.

This year we purchased our third membership so our children, grandchildren and great grandchildren can join us. The little ones have so much fun watching the deer and the other critters roaming around. The accommodations are very clean, the grounds are kept well manicured and the pool is always clean.

It is such a peaceful and serene place.

Elvira Rodriguez and her crew are so welcoming, friendly and helpful. They go out of their way to ensure we have everything we need. From pots and pans to plenty of towels. They even bring these items to our unit!!! They do a fantastic job. Always working, working, working.

We appreciate them and can't thank them enough. Elvira and her crew represent the best of the Club!!!

Best vacation ever!!!

What have we been up to in the last year? As always, we continue to improve all of our home resorts. The Bandera hot tub has been completely updated, and we've brought in fiber optic to make the wi-fi better than ever (never easy in the Texas Hill Country!). We're continuing to update sofas and other furniture, replacing shutters in Daytona and making other improvements throughout our resorts. And coming soon, Daytona is getting even more beautiful tiki huts!

PROXY SIGN UP

Sign-up for our 7 year proxy and you'll be entered in a drawing to win a bonus week, direct exchange or world bank! Our bylaws require that 15% of the membership must attend the annual meeting either in person or by proxy. Historically, lack of membership participation has made establishing a quorum challenging. Therefore we ask our membership to sign a seven year proxy on-line at: <http://www.perennialvacationclub.com/proxy.html>. You can rescind your proxy at any time, either in writing or simply by attending the annual meeting in person.

Already signed-up? You're automatically entered in the drawing!
